

Peli Soft-Sided Bags

JP Distribution is pleased to announce the new Peli Soft-Sided Bag series.

Further expanding the successful Peli line, they have now introduced a line of soft-sided bags for a number of uses.

This series are designed to store and protect DSLR'S, lenses and accessories. They all feature expandable outer side pockets, interior and exterior mesh pockets. The comfortable carry handle with padded strap makes carrying your equipment much easier. The wheeled soft-sided cases are built with inline skate wheels and retractable locking handles which make them roll with ease.

All Peli Soft-Sided bags come with a five year limited warranty.
