

Peli RSV Series

JP Distribution is pleased to announce the arrival of Peli's RSV Series.

These new lines of cases have been designed with the busy digital professional in mind. They are reliable, strong and versatile. They come complete with movable dividers for organizing your equipment, and feature a padded computer pocket to carry a full size laptop. Other added benefits include an organiser pocket with AA battery organiser as well as multiple PVC lined inner mesh pockets. The RSV Series are made of durable water resistant 1680D ballistic nylon material with full grain leather trim and molded protective corners in high wear areas. They all come with a nylon storm cover and are fully airline compatible.

There are three Peli cases in the RSV Series and are available in black or green. They all come with a five year limited warranty.
